

(Last updated: 9 October 2008)

Edward M. Corrado

Binghamton University Libraries
607-777-4909
e-mail: ecorrado@binghamton.edu

TECHNICAL SKILLS AND EXPERIENCE:

- ◆ Ten years experience managing the Integrated Library Systems and other library technology
- ◆ Familiarity with various library and technical standards including MARC, Z39.50, XML, HTML
- ◆ Knowledge of computer programming and scripting languages including SQL, Perl, and shell scripting
- ◆ Over ten years experience administering various desktop and server operating systems., including Solaris, Microsoft Windows, Linux, Novell Netware, and Mac OS X (server and clients)
- ◆ Over ten years experience programming, and maintaining library web sites (with a focus on user-centered design)
- ◆ Recommend, install, and maintain computer hardware and software
- ◆ Experience administering Apache, Cyrus, Dovecot, Exim, Netatalk, NFS, Samba, Sendmail, SquirrelMail, and other network and web services

WORK EXPERIENCE:

Binghamton University Libraries (May 2008 -)

Binghamton, New York

Head of Library Technology (Tenure-track)

- ◆ Provide leadership for information technologies and digital initiatives and overall direction, administration and management of computer resources, systems, and networking in the Libraries.
- ◆ Supervise the Libraries' Systems Department
- ◆ Oversee the Libraries' technology infrastructure, Web services, and other information access and production technologies
- ◆ Responsible for the Libraries' ILS (Ex Libris ALEPH)
- ◆ Work with the Library faculty and staff to research and develop new and innovative technologies and services
- ◆ Recommend information technology policies
- ◆ Plan system upgrades
- ◆ Maintain current awareness of digital library technologies
- ◆ Liaison between University Libraries and University Information Technology Services
- ◆ Team Leader for ContentPro Development Partner Implementation
- ◆ Represent the Libraries' information technology interests within the University and in SUNY-wide initiatives.

TCNJ Library, The College of New Jersey (January 2005 – April 2008)

Ewing, New Jersey

Systems Librarian (Tenure-track appointment at rank of Librarian II)

- ◆ Manage the Library's automation system (Voyager). This includes, but is not limited to, installing and trouble shooting staff modules, configuring the Web-based OPAC (WebVoyage), scheduling and performing upgrades
- ◆ Planning the migration of approximately one hundred computers and peripheral equipment into new library
- ◆ Implementation (and administration) the Voyager ILL module
- ◆ Library liaison for the Administrative and Academic Information Technology budgets
- ◆ Liaison between the Library and the Information Technology department

- ◆ Received IT mini grant (\$2000) for Fall 2007 semester to evaluate VUfind.
- ◆ Project team member for "Shared Open Source Library System Planning" grant (\$24,417) funded by the Institute of Museum and Library Services' 2007 National Leadership Grants for Libraries program.
- ◆ Create custom reports using SQL*Plus and Microsoft Access
- ◆ Implementation New Books List search function
- ◆ Creation RSS feeds of new library acquisitions based on subject.
- ◆ Partnered with Modern Languages Librarian on creation and maintenance of "Library 2.0" Subject Guides
- ◆ Development of Firefox web browser search extensions that allow users to search the library catalog directly from Firefox
- ◆ Provider of general and specialized reference services
- ◆ Create and maintain library web pages. As co-chair of Library Web Page Committee lead the redesign of the TCNJ Library Web site and WebVoyage user interface

University Libraries, Rider University (April 1998 – January 2005)

Lawrenceville, New Jersey

UNIX Administrator/Library Systems Manager

- ◆ Manage all technical aspects of the Libraries' automation system (Voyager). This includes installing and trouble shooting staff modules, configuring the Web-based OPAC, scheduling and performing upgrades, and creating custom reports using SQL and Microsoft Access
- ◆ Manage the Moore Library Computer Lab / Electronic Classroom (including technical and staffing aspects. Staffing responsibilities include hiring, training, and supervising student workers)
- ◆ Coordination of all technical and systems related aspects of Talbott Library's automation and migration to an Integrated Library Management System
- ◆ Web Master for the University Libraries
- ◆ Project Director of "Implementing Z39.50 and WebPac Technology" grant (1999 – 2000)
- ◆ Liaison between the Libraries and the Rider University Office of Information Technology
- ◆ Systems administrator for all aspects of the Libraries' UNIX (Solaris) and Linux servers Also responsible for providing secondary support for the Libraries' Novell servers
- ◆ Provide hardware and software support for approximately one hundred staff and public use computers in two libraries. Software support consists of operating system (Microsoft Windows 98/NT/XP and Linux) and application level support (including library-specific programs like Ariel, OCLC Passport, OCLC CatME, BibBase, and various databases)
- ◆ Implement new technological offerings including the creation of new subject guides using LibData (an open source Web based application which provides authoring environments for subject pathfinders)

Highland Park Public Library (May 1997 – August 2003)

Highland Park, New Jersey

Reference / Systems Librarian

- ◆ Provide reference to patrons of all ages in a public library setting
- ◆ Install, upgrade, and evaluate computer hardware and peripheral equipment
- ◆ Evaluate and implement computer security procedures and software
- ◆ Provide consulting service for migration to a new integrated library system

Data Center Operations, Computing Services, Rutgers University (September 1989 – January 1998)

New Brunswick, New Jersey

Computer Operator (1995 -1998 full time; 1989-1995 part time)

- ◆ Operation of IBM 9672 Mainframe, Sun Microsystems computers, and Xerox laser printers
- ◆ Install, upgrade, and maintain UNIX (Solaris) software

TEACHING:

**Part-Time Lecturer, Rutgers University, School of Communication, Information, and Library Studies;
Department of Library Science**

- ◆ Library Science 555, *Multimedia Production* (Fall 2007, Spring 2008, Fall 2008: 3 credit hours, online)

EDUCATION:

Master of Library Service, January 1997

Rutgers University

School of Communication, Information, and Library Studies

New Brunswick, NJ

- ◆ **LISSA** (Library and Information Science Student Association, Rutgers University), President (1996 – 1997); Vice-President (1995 – 1996)
 - ◆ Organize meetings, trips, and other activities
 - ◆ Create, maintain, develop, and administer LISSA's web site
 - ◆ Solicit funding for LISSA activities
 - ◆ Express student criticisms and ideas to University Administration and Faculty
- ◆ **Rutgers University Graduate Student Association**, Representative (1996 – 1997)

Enrolled in **Master of Arts - Human Services Administration**, (September 2003 - August 2005)
(Program discontinued by University before completion)

Rider University

Graduate School of Education

Lawrenceville, NJ

- ◆ Earned a certificate in Budgeting and Finance.

Bachelor of Arts - Mathematics, December 1992

Caldwell College

Caldwell, NJ

AWARDS & HONORS:

- ◆ **NJLA-CUS/ACRL-NJ Technology Innovation Award**. (Team leader for a project team that included Eric Thul and Heather L. Moulaison. Project that won the award was for using RSS to integrate new library acquisitions into a course management system). Presented April 25, 2006.
- ◆ **Rider University Distinguished Employee**. Honored November 10, 2003.
- ◆ **NJLA-CUS/ACRL-NJ Technology Innovation Award**. (For innovative use and application of Open Source Software technology at Rider University Libraries). Presented April 1, 2003.
- ◆ Virtual Academic Library Environment of New Jersey (VALE) – **Meritorious Service Award**. Presented January 4, 2001.
- ◆ **Faculty Applause Award**. Rutgers University, School of Communication, Information, and Library Studies. Presented May, 1997.

JOURNAL/PROFFESIONAL MAGAZINE PUBLICATIONS:

- ◆ Corrado, Edward M. and Kathryn A. Frederick (2008). Free and Open Source Options for Creating Database-Driven Subject Guides. *The Code4Lib Journal*, 2. Available at: <http://journal.code4lib.org/articles/47>

- ◆ Morgan, Eric Lease. "Does Open Source Software Development Work for Libraries." New Jersey Library Association Annual Conference. Ocean Place Conference Center, Long Branch, NJ. 26 April 2006.

PROFESSIONAL ORGANIZATIONS (Selected):

- ◆ The Chubb Institute, North Brunswick campus: Computer Networking and Security (CNS) Curriculum Advisory Board Member (November 2007 -)
- ◆ Code4Lib
 - ◆ Code4lib Journal: Code4Lib Journal Editorial Committee (June 2007 -)
 - ◆ Code4lib 2008 Conference: Planning Group member (Conference to be held 28 February – 2 March, 2007 in The Georgia Center for Continuing Education in Athens, Georgia)
 - ◆ Code4lib 2007 Conference: Planning Group member (Conference held 25-28 February, 2008 in Portland, Oregon)
 - ◆ Oregon State University (OSU) Code4Lib 2007 Scholarship Committee member. One of four committee members that awarded two scholarships to attend the Code4Lib 2007 conference. One scholarship was the OSU / Code4lib Minority Scholarship and the other was the OSU / Code4lib Scholarship for Women. These scholarships covered \$1000 each towards travel and fees to attend the 2007 Code4Lib conference in Athens GA.
 - ◆ Code4lib 2006 Conference: Planning Group member (Conference held 15-17 February, 2006 in the LaSells Stewart Center, Oregon State University, Corvallis, Oregon)
- ◆ **Virtual Academic Library Environment of New Jersey (VALE)**, Member of the VALE Open Library System Study Team (January 2007 – April 2008)
- ◆ **Endeavor Users Group**, Endeavor Users Group Executive Board Member (April 22, 2006 – June 2007)
 - ◆ Web Master (December, 2006 – June 2007)
 - ◆ Acting Secretary (December, 2006 – January 2007)
 - ◆ Endeavor Mid-Atlantic 2006 Conference: Planning Committee Member
- ◆ **Ex Libris Users of North America (ELUNA)**, ELUNA Steering Committee Member (May 1, 2007 - 2010)
 - ◆ Metalib Product Group liaison (August 1, 2008 – present)
 - ◆ Web master (August 1, 2008 – present)
 - ◆ ELUNA 2008 Conference Program Planning Committee
 - ◆ Regional User Group liaison (May 1, 2007 – August 1, 2008)
 - ◆ Ex Libris Mid-Atlantic (EMA) Annual Meeting 2008 Program Planning Committee
- ◆ **Linux Users Group In Princeton, Inc. (LUG/IP)**, Co-Founder and President (2000 – May 2008), Board Member (January 2004 –)
 - ◆ LUG/IP is a non-profit 501(c)3 corporation registered in the State of New Jersey. The goals of LUG/IP include education, advocacy, and the support of GNU/Linux and Open Source Software applications.
 - ◆ Organize meetings, speakers, and other activities
 - ◆ Taught various sections during the LUG/IP Linux Professional Institute (LPI) 102 certification training program (March, 2005)
 - ◆ Taught a one day class as part of the LUG/IP Linux Professional Institute (LPI) 101 certification training program (August 22, 2004)
 - ◆ Coordinate with other Linux Users Groups
- ◆ **New Jersey Library Association College and University Section and ACRL New Jersey Chapter**, Technology Committee Member, (August 2005 – May 2008)
- ◆ **American Library Association (ALA)**, member.
- ◆ **American Society for Information Science and Technology (ASIS&T)**, member
- ◆ **New York Library Association (NYLA)**, member
- ◆ **State University of New York Library Association (SUNYLA)**, member

PROFESSIONAL SERVICE (Selected):

- ◆ Currently Host/Manage Electronic Mailing Lists for the following organizations: Central Jersey Regional Library Cooperative (CJRLC), Endeavor Mid-Atlantic Users Group (EMA), Virtual Academic Library Environment of New Jersey (VALE), and Voyager Systems Administrators
- ◆ Hosted Web Sites for the following organizations:
 - ◆ Endeavor Mid-Atlantic Users Group (EMA)
 - ◆ Council of New Jersey College and University Library Deans, University Librarians, and Directors
- ◆ Presented at CJRLC Technology Group, Infolink's Technology Committee, and local Linux user group meetings on various topics including: Z39.50; using Linux in libraries, proxy servers, and computer security software.

PROFESSIONAL CERTIFICATIONS AND WORKSHOPS ATTENDED (Selected):

- ◆ Association of Research Libraries (ARL) Library Management Skills Institute 1: The Manager. Institute attended at SUNY-Albany (August 11-13, 2008)
- ◆ Metalib X-server training (March 2008)
- ◆ Certificate in Finance and Budgeting, Rider University Graduate School of Education (2005)
- ◆ Voyager Certification 500 (April 2001)
- ◆ Voyager Certification 400 (April 2002)
- ◆ Voyager Certification 300 (April 1998)

ACADEMIC/UNIVERSITY COMMITTEES/GROUPS (Selected):

Binghamton University:

- ◆ ContentPro Development Partner Implementation Team Leader, July 2008 -
- ◆ Libraries' Digitization Committee, September 2008 -
- ◆ Libraries' Administrative Council, May 2008 -
- ◆ Libraries' Technical Services Review Committee, August 2008 -
- ◆ Libraries' User Interface Steering Committee, May 2008 -
- ◆ University Committee for Academic Computing and Educational Technology, September 2008 -

The College of New Jersey:

- ◆ Library Faculty Steering Committee, October 2005 –April 2008
